# TODDLER ROOM 1

Dear Parents,

Time spent outdoors had increased dramatically in the past month or so. Lots of the time is spent on developing our gross motor, coordination skills on climbing frames and the sandpits is now home for trucks as well as the spades and buckets.

A reminder to parents to bring a hat to childcare as the weather is getting warmer.

In the past month we have seen amazing changes and development in the children's impedance from feeding themselves to wiping their own faces and taking off their own shoes before sleep.

A big thank-you to all the dad's, grandfathers and special people who attended our father's day afternoon tea, we hope you enjoyed your special day.

Some of our friends have been chatting a few more words. Some of the new words that they have been using are "no" and "share"

Please remember to LABEL all the children's belongs.

Thanks. Until next time

Sam, Alison and Nan

We would like to welcome Meryem to our room, who has been out the Centre since the start of the year. Meryem will be working in the room for the 5 days.

The warm spring weather is now upon us, so please ensure your child has an appropriate hat, as it is now time to slip, slop, slap.

Lots of friends are giving toilet training a go so, if your child is toilet training at home, then let the staff know in the toddler 2 room. Please bring lots of changes of clothes and a extra pair of shoes.

Footy day is on Friday 30<sup>th</sup> of September so come in your team colors.

# KINDER

Hello and welcome.

Spring has finally come and so that it is now time to ensure that your child arrives daily with a hat and sunscreen on.

A big thank you to those parents who met me for interviews, it was great to catch up with you on a more formal level. If you were unable to make it during the scheduled days but would like to meet with me, please let me know.

The kinder children have been very busy in the last few weeks, with box construction. So if you have spare boxes we would like to have them for our box construction corner.

The children have also demonstrated lots of interest in letters and numbers. We have been writing lots of letter and are displayed in the room.

Until next time

Toni, Jacinta and Suman
